6. To register for the conference sessions use the same process used to add the conference. “Add to Cart” -> “Continue Shopping”. You will be redirected to the conference session you just added to your cart. To go back to the conference to view/pick your other conference sessions click “Click here to register for more conference sessions”.

Launa strongly believes that anyone can make small changes to unlock their full potential and improve the lives of those around them.

[Click here to register for more conference sessions.](#)

March 30

7. Once you have added all your conference sessions you can click “Check Out” when adding the last one, or you can click “Shopping Cart” at the top of the page after adding the final conference session.
8. Complete the transaction by following the steps during checkout.
